Advertising budget reviewed

Auction report was given with an expected overall NET of \$104,000

The Auction is being moved to the Abernethy Center in Oregon City next year

Grants that have been Completed and Grants in Progress were reviewed

## **Group Discussion (All):**

A PTA Committee has been formed with the goal of strengthening the community bond at SJA. They have been working to do staff appreciation monthly and multiple other SJA community events.

Steven brought two different air filtration units to the meeting to show how they can provide better air quality in the classrooms. The group agreed the smaller quiet units were more practical. The fact that they came in kit form was also a plus as it could be a good class project.

Mary brought up the school survey that went out that afternoon. SAC will review the results at a future meeting. SAC discussed what they felt about the survey and the overall feel of the school.
